Privacy - We do not collect personal information unless you choose to give it to us. The information collected will only be used for the purpose for which it is supplied. To access, correct or update your personal information on our records please contact your street coordinator and/or the office of Neighbourhood Support Canterbury on 03 420 9944.

Confidentiality - Strategic Partners of Neighbourhood Support Canterbury are New Zealand Police, New Zealand Fire and Civil Defence Emergency Management. The information will be made available only to these strategic partners and only in the case of an emergency situation.

Aims - Neighbourhood Support aims to make our homes, streets, neighbourhoods and communities safer and more caring places in which to live.

Belonging to a Neighbourhood Support Group is a great way to get to know your neighbours and enhance a feeling of safety in the neighbourhood. It is easy, free and the benefits are many.

The ideal Neighbourhood Support Group is one where members:

- Communicate with each other when they are going on holiday or leaving the house overnight.
- Meet regularly to discuss common concerns.
- Notify each other of anything suspicious that is currently happening in their neighbourhood.
- Respect each other's confidences and do not "live in each others' pockets."
