

LITTLE RIVER WAIREWA COMMUNITY TRUST MEETING

Monday 3 October 2016 7.30pm in the Meeting Room at the Little River Service Centre

MINUTES

PRESENT: Mac Burch (Chairman), Kevin Blogg, Pam Baird, Geoff Marks, Tori Peden (Community Board Representative), Donald Matheson, Alison Evans, Stuart Wright-Stow and Mario Downes (Vice Chair), and Glynis Dobson (Minutes) Jo Saunders

Chair welcomed members and introduced our two guest speakers Mr Shaun McCracken and Dr Oliver Setchell.

1. **APOLOGIES:** Bonnie Schenkel, Marcus Peuntener.

2. **CONFIRMATION OF SEPTEMBER MINUTES** – The paragraph *“John Stroh to be reimbursed \$180.00 for five hours work weeding and digging holes as part of the Perma Biodiversity Programme at Little River School 15 children have planted 35 Trees.”*

Should read *“Annelies on behalf of Living Streams Nursery made an additional request that Living Stream Nursery be reimbursed \$180.00, for John Stroh, for five hours work weeding and digging holes as part of the Perma Biodiversity Programme at the Little River School, by the Little River Wairewa Community Trust”*

Discussion clarified that all monies available to Living Streams Nursery held by the LRWCT had been spent previously by the Living Streams Nursery, therefore the motion was put that

“The Living Stream Nursery request for the retrospective payment for extra work done by John Stroh to the amount of \$180.00 for the Okana Trail Development be declined.

With this amendment in place the Minutes of the Meeting held on Monday 5 September were passed as a True and Correct Record of that meeting.

REPRESENTATION –

Shaun McCracken gave us a very informative talk with slides showing location of the Flood Mitigation work and the future plans of same in the Little River Rating District. Approx. \$39,000 had been spent to date clearing Willows, poisoning stumps, spraying and bank stabilization. Concerns were raised about river bank erosion by Kevin Bloggs home in Western Valley Road. Shaun took note of this. **Donald** to contact Shaun for a copy of the slides showing work locations to go on the website/Facebook page for Community Information.

Dr Oliver Setchell – Works from the Ferry Road Medical Centre. He has been two years in New Zealand and spoke informally about the possibilities of having a Medical Service in Little River. He is very interested in exploring the possibilities of this maybe as a remote service with an Outreach Clinic. To be viable a Doctor Service would need full community support with a minimum of 1,000 people to register as patients to enable funding to be gained for 5 sessions a week or 2 ½ days. General

discussion between Dr Oliver and those present was left with Dr Oliver Setchell going to discuss matters further with his partners and the Trust to decide how we can best support him.

3. MATTERS ARISING

Stuart Wright-Stow, Alison Evan and Jo Saunders left the meeting.

- **Mad Hatters Report** – Mario – Good Event, attended by approx. 75 people. Band, food, decorations and prizes were all great. Mario thanked all who helped with the event. Probably a good event to run again. But needs a longer lead in time to promote better. An Event report needs to be written - **Vanessa**

Planning meeting to be set up for 9.00 am Tuesday 18 October at the Rugby Club Rooms. **Glynis to book rooms and email Sub Committee** - Mario, Vanessa, Mac, Bonnie and Secretary/Coordinator. An order of demonstrations and presentations will need to be organised, plus food, etc.

Main focus of the Breakfast is a social affair with either a demonstration, display and/or presentation from the following groups who have confirmed.

Marcus Puentener - Love Little River – with 50k's through Little River, The Little River Trap Library – Alison Evans, The Little River Big Ideas Group – Janet Reeves and a Defibrillator demonstration with Jo Saunders.

- **Annelies Project and extra Budget Request** – **John Stroh Bill**. Kevin Blogg drew the Trustees attention to the fact that Living Streams Nursery is in the process of becoming a Trust. It will therefore in future be expected to resource its own funding independently of the Little River Wairewa Community Trust. The Trustees were in agreement, that the extra budget request be held on the table for resolution at next month's meeting when the matter could be clarified with Annelies present.
