

Women's Health for all Stages & Ages

Phytofarm is proud to host The Women's Health Workshop with medical herbalist, Isla Burgess

This will be an invaluable practical workshop for **all** women. The workshop will be guided with a flexible adaptable approach - the hormonal dance, key plants, their role and preparations.

About Isla

Isla's forty years of passionate experience into the exciting world of plant medicine is an inspiration. Conference Presenter (NZ & USA), Author & Women's Health Practitioner
