**Donald - Walking Festival more funding needed.** As there was 5 walks last year in the Selwyn district, it was decided to apply to the Selwyn District Council Community Fund. This is to help with the cost of running this event. Rod Donald Trust supports this application. Donald is going to apply for this funding.

Motion: Donald to apply to the Selwyn District Council Community Fund for \$4,000 for theBanks Peninsula Walking Festival 2022.Moved: VanessaSecond: LynCarried Unanimously: Yes

Flower Power Garden Tour -

John - Request for funding for the Welcome to Little River Sign - The costing has come in at \$25,000. The LRWCT could make application to funders for this amount. Look at the Arts funders . John to get a figure and then we can support the application. The Runanga will fund some of it. What avenues dose the Runanga have to apply for funding? This needs to be a partnership between the LRWCT, Community and Runanga. Also look at install costs. Will have to make the look at where the sign will go along with NZTA. At the start of Little River as it is a Welcome Sign Kelly Barry is the new manager for the Wairewa Runanga and Jaleesa is the Wairewa Runanga Chair.

**Tori - Drainage -** The open drain that starts from outside the Little River Service Centre to just passed The One Next Door is going to be covered over. NZTA has put this out for tender, so start date to be advised.

NZTA are also looking at a shared pathway from Coop Town to Little River. More detailed to come.

### 8. Representations from Members/Public

**Marcus - Living Stream Nursery** - Marcus gave us a update on what was happening at the nursery - They have a new manager Nicky - Marcus is now doing more project base management role. They have built more shade houses out the back, they have put the demonstration garden on hold at the moment, until further notice. This is due to the walk ways on hold. They are still interested in developing that area. They are still ticking along nicely. With future planting day could the LRWCT help with organising the planting day, advertising it on the residents Facebook pages, LRWCT website. The working bee that happen a few weeks ago organised by Fiona Waghorn to plant at the Heritage park - over 20 people turned up also some of the history of the park was retold. Dog exercise area needs planting - arrange a day to meet and discuss planting options.

**Marcus - Camping ground** being one of the largest accommodation providers in the area, they are planning to do a couple of events this year. One being the Drum Festival, the other is Birdsong (which they have received some funding) which is all female artist.

With these events Marcus would like to request funding, and for the Trust to offer support, he has in the past but has not always been successful. Marcus inquired about the \*Walking Festival and how much it was funded and how little the amount of people attended the walks. Especially walks in Little River, there was only 2 walks last year. The economic benefits holding these music events are far greater, with people staying longer and spending money in the village. Marcus would like to continue and get support from the CCC and LRWCT. It is a Banks Peninsula development group that runs the Drum Festival, it has been going for 13 years. Marcus wanted to know what the LRWCT had been doing in the past two years with events, there didn't seem to be any. Fiona explained that due to COVID restrictions, mandates etc, that most of the events are held in CCC building we found it to different holding events that some people in our community couldn't attend due to CCC rules. We have held the Family Easter Egg hunt in April this year and plan to hold the Community Breakfast, Senior Hui, Flooding Hui later in the year. Fiona to send Marcus project brief to fill out. As the Birdsong is a new event the Trust could help as a start-up event in November. The Trust doesn't have an issue with helping to support, as long as we can see a community benefit. Look at having the Community Breakfast the same weekend as Birdsong and have some female artist at the Community Breakfast singing. \*(Walking Festival gets funding from Strengthening Community Fund)

Marcus - up and coming elections Is the LRWCT putting anyone forward for the community board? No. Marcus though there was a few people in the room that would be ideal to stand.

Richard - Little River Farmers Market. The farmers market is looking to apply for funding from RATA Foundation to purchase a small shipping container to store our equipment onsite. We are applying for a \$4500 grant. The application is to purchase a small container, transport it to the site, purchase tie downs ( a requirement as per our lease agreement), if necessary put un a foundation and finally once in place, paint the container with a mural to help it tie in the Farmers Market history and surrounds. Part of the application process requires a letter of support from a local community organisation and we were wondering if the LRWCT would be able to write the Farmers Market a letter of support for our application. Richard to send Fiona the application so she knows what they are applying for.

# Motion: Little River Farmer Market, write a letter of support for the purpose of their RATA Foundation funding application.
